Hard shell - smart core: This S.T.A.M.P.S. Design satisfies with masculine presence. The urban “full metal jack” – collection is meant for the Creation‘s lord and master. The smooth and shiny metal frame is a powerful bordering for the dazzling S.T.A.M.P.S.-themes. Aesthetic ornaments, provoking statements and straightforward materiality playing with contrast and dialogue. For guys who have the heart to show their ambition and who know the time to do so.

Full Metal Jack can be worn round wrist or neck. Choose your Full Metal Jack and your pocket or chain. Infinite combinations. No rules. Be your own lord and master!

Easy going. When your whole life has to fit into one bag: the Urban Bag from S.T.A.M.P.S. The material: Stampstexxx, exclusively developed for S.T.A.M.P.S. out of sustainable and environmentally friendly recycled cellulose impregnated with latex. The designs: as spectacular as the S.T.A.M.P.S. watches, inspired by the hippest trends around the globe, guaranteed to catch the eye in the concrete jungle. Anyone wanting to blend in can choose a more discreet variation – and still be cool at the same.
